

## The Business of Healthcare

A Forum for Healthcare Professionals

January 26, 2016

With the significant consolidations occurring in the healthcare market, providers require experienced representatives to lead them through the myriad of legal, financial and valuation issues. The Forum for Healthcare Professionals has brought together a panel of experienced advisors who will provide insight in not only the ground work required but the steps necessary to ensure your healthcare business is financially sound before and after acquisitions, consolidations and mergers while also continuing to achieve excellence in patient care.

Speakers include:

Mark Francis - Managing Director and head of the healthcare group at Houlihan Lokey

Greg Koonsman - Senior Managing Director at VMG Health

Ken Kramer - Executive Vice President and General Counsel at Texas Health Resources

Please join Gray Reed & McGraw and the Baylor University Hanmaker School of Business on Tuesday, January 26th for this event by [registering here](#).
