

Healthcare Entrepreneurship: Perspectives From Those Who Know

A Forum for Healthcare Professionals

October 27, 2016, 6 p.m. – Dallas Westin Galleria

The Forum for Healthcare Professionals' next event, hosted by Gray Reed and Baylor's Hankamer School of Business, will bring together a panel of experienced healthcare entrepreneurs to provide insight in all aspects of the health care entity life cycle and discuss how they have been successful in planning and execution of a business plan while continuing to achieve excellence in patient care.
