

Healthcare Issues & The 84th Texas Legislature

A Forum For Healthcare Professionals

July 16, 2015

Every other year, the Texas Legislature considers and deliberates thousands of legislative proposals. Many of these affect the healthcare industry. The Forum for Healthcare Professionals brings together State Representatives Jeff Leach and Bill Zedler to explain the newly passed laws and what the legislative session means for the healthcare industry.

Join Gray Reed & McGraw and the Baylor University Hankamer School of Business for a round-table discussion, along with great networking.
