## Oil Lease Renewals in the Gulf of Mexico

KTRH Radio

May 29, 2012

Gray Reed attorney J. Wayne Ballew discusses with KTRH Radio the 38 million acres of oil leases in the Gulf of Mexico that are becoming available in the next month.

[Listen to the Interview Here](#)

J. Wayne Ballew, Jr.'s practice focuses on corporate and transactional projects and matters for companies engaged in all aspects of the energy industry. J. Wayne offers a valuable perspective within the industry stemming from his involvement in the oil and gas business since 1999, including his unique experience and background as a petroleum engineer and offshore roustabout. J. Wayne is involved in a wide array of domestic and international energy transactions and projects. He has represented upstream, downstream and midstream energy companies, lenders, private capital providers and energy companies in transactional energy law, including oil and gas exploration, production and development, asset acquisition and divestiture; various structured financing transactions; corporate restructuring; oilfield services transactions and contracts.
