[Michael Kelsheimer](#) focuses his practice on the employment law needs of Texas businesses and executive employees. He recognizes that the cost and expense of litigation make resolving employment disputes challenging. To help avoid these concerns, he utilizes his experience in and out of the courtroom to prevent or quickly resolve employment disputes through proactive employer planning and timely advice. When a dispute cannot be avoided, Michael relies upon his prior experience as a briefing attorney for the United States District Court and his extensive experience in employment and commercial lawsuits to secure favorable resolutions for his clients.
