
Thompson Interviewed on Tiger Wood's Latest Crisis

KTRH Radio

December 1, 2009

KTRH Radio in Houston interviewed Joel Thompson on the recent media frenzy surrounding Tiger Woods and what he could have done to reduce his public exposure.

Joel Thompson is a civil trial lawyer with extensive experience in many different areas of litigation including products liability, wrongful death, insurance litigation, negligent security litigation, property damage, premise liability, construction litigation, DTPA and business torts. Because his experience encompasses all aspects of litigation, he is well equipped to handle a diverse trial caseload. He has represented both plaintiffs and defendants in jury trials, bench trials, administrative proceedings, and alternative dispute resolution.
