

Are Companies Required to Hire Back Those They Laid Off as the Economy Improves

KTRH Radio

September 22, 2009

KTRH Radio in Houston interviewed [Michael Kelsheimer](#) on whether companies are required to hire back those they laid off as the economy improves.

To listen to the interview, click [here](#).

Michael's practice focuses on commercial and employment litigation. His experience as a former briefing attorney for the United States District Court coupled with his extensive experience in commercial and employment disputes has enabled Michael to successfully secure favorable verdicts and judgments in a wide variety of commercial cases for businesses and professionals engaged in multiple industries as well as the defense of all types of lawsuits. Michael's efforts have included cases involving race and sex discrimination, collections, deceptive trade, employment discrimination, fraud, fraudulent transfer, negligence, real estate titles, and enforcement of contracts in state and federal courts as well as through binding arbitration.
