

Gray Reed Named to Largest Houston–Area Real Estate Law Firms List

March 9, 2016

Gray Reed & McGraw is proud to announce its inclusion in the *Houston Business Journal's* Largest Houston–Area Real Estate Law Firms list.

The list highlights the 20 firms with the largest number of practicing real estate attorneys in Houston. Attorneys must spend at least 75 percent of their time handling real estate matters to be counted. Gray Reed has 10 attorneys focused primarily on real estate work in the Houston office, but the work of many other attorneys in the firm impacts Houston's real estate industry.

The firm's [real estate team](#) engages in a full range of real estate matters, from complex multi-jurisdictional commercial transactions involving the sale, purchase, exchange, leasing, financing and/or development of commercial properties such as office buildings, apartment complexes, shopping centers, industrial and warehouse properties, condominiums, recreational and resort properties (hotels, restaurants, etc.), medical buildings and related facilities (hospitals, assisted-living facilities, etc.), energy and utility facilities, and sports venues, to more consumer-oriented matters such as purchases, sales and leasing of private homes, farms and ranches, and owner-occupied small business locations.
