
Gray Reed's Charles Sartain Named Top Author by JD Supra

March 15, 2016

Gray Reed is pleased to announce that Charles Sartain, a Shareholder at Gray Reed & McGraw, was named a top author for his blog, [Energy & The Law](#), by *JD Supra* in its first ever [Reader's Choice Awards](#).

Charles was ranked fifth in *JD Supra's* list of the top ten energy authors for 2015. Nearly 6,000 authors were read by energy-industry professionals in 2015. Notable readers include Chevron, Lyse Energi, Magellan Midstream Partners and EATON Corp. among others.

[Charles](#) focuses his Dallas-based practice on resolving commercial disputes with a focus on the oil & gas industry. With over 30 years of experience, his expertise extends beyond the energy industry and includes cases involving healthcare, business torts, noncompetition agreements and theft of trade secrets, contracts, injunctions, employment discrimination and Election Code disputes. His blog serves as a resource for legal developments, as well as commentary and analysis of oil & gas law and alternative energy sources.

JD Supra is a daily source of legal intelligence on all topics business and personal, distributing news, commentary and analysis from leading lawyers and law firms. *JD Supra* recognized 200 top authors from more than 34,000 across 26 categories including construction, financial services, aviation, defense and energy among others. Reader's Choice standings are based on a number of factors, with the primary focus being total readership by professionals in a specific industry in 2015.
