*Super Lawyers*, a Thomson Reuters business, is a rating service of outstanding lawyers from more than 70 practice areas who have attained a high degree of peer recognition and professional achievement. The annual selections are made using a rigorous multi-phased process that includes a statewide survey of lawyers, an independent research evaluation of candidates, and peer reviews by practice area.

In addition to the Gray Reed Texas Super Lawyers, Gray Reed also has 14 attorneys selected as Texas Super Lawyer Rising Stars, which was announced in March 2015. To be eligible for inclusion in Rising Stars, a candidate must be either 40-years old or younger or in practice for 10 years or less. No more than 2.5 percent of eligible attorneys are named to the Rising Stars list.
