March 6, 2020

Gray Reed is proud to announce that it has joined [Lawyers Associated Worldwide](#) (LAW), a global association of over 100 independent law firms located in more than 50 countries.

With access to 4,000 lawyers worldwide, membership in LAW allows member firms to service the legal needs of clients that are expanding their operations and relationships into new domestic and foreign markets. Member firms are full-service business law firms with depth and expertise to assist clients with all their business and litigation needs. Each member firm has local expertise and firsthand knowledge of the customs and practices in its own jurisdiction.

In addition to LAW, Gray Reed is also a longtime member of [Lexwork International](#), a Chambers & Partners (Elite Global Network) ranked, independent network of more than 47 law firms that offers our clients and attorneys priority access to more than 3,000 lawyers across the globe.

"Through our involvement in organizations like Lexwork International and LAW, our firm can tap into legal resources around the globe and efficiently service the legal needs of our clients no matter the jurisdiction," Gray Reed Managing Partner [Cary Gray](#) says.
