

Cary Gray Named Baylor Alumnus of the Year

October 18, 2010

Cary Gray, BBA '79, BA '80, JD '83, doesn't have any memories of life apart from the Baylor family. His parents, Lanella Spinks Gray, BA '54, and the late Tom Gray, BBA '54, met at Baylor, and his mother hosts Baylor Line Camp freshmen each year at Independence, the site of Baylor's original campus. In many ways, the Grays are about as "Baylor" as a family can be.

"I never imagined going to college anywhere else, and Baylor's always been part of my life," says Gray. "Baylor's a great place, and in my mind, it's done nothing but get greater. I made lifelong friends at Baylor, my best friends in the world, and I got a great education."
