March 24, 2014

Gray Reed & McGraw is proud to announce the inclusion of attorney Norm Lofgren in the 2014 list of Five Star Professional Estate Planning Attorneys. This signifies his status among the top estate planning attorneys in the Dallas/Fort Worth area. He has received this award each year since 2010.

The Five Star award is presented to estate planning attorneys, real estate agents, mortgage professionals, home/auto insurance professionals and dentists in more than 45 markets in the U.S. and Canada. The Five Star award recognizes service professionals who provide quality services to their clients.

“We are delighted by Norm’s recognition in Five Star Professional Estate Planning Attorneys,” Gray Reed Managing Director Cary Gray said. “His experience and vast knowledge in this complex area make him a tremendous asset to his clients and to Gray Reed.”

Lofgren’s practice focuses on taxation, estate planning and family wealth protection and transfer. His experience as a former trial attorney for the IRS and tax counsel of a major international energy company, coupled with his extensive experience in income, estate, gift, generation-skipping tax matters and tax planning for closely held businesses enables Norm to create solutions that minimize tax exposure and preserve wealth.
