

Tax and Corporate Concerns for Startups

OwlSpark & RED Labs Summer Accelerator Program

June 27, 2016

On June 27, 2016, [Austin Carlson](#) spoke to aspiring entrepreneurs participating in a full-time, three month Summer Accelerator hosted by Rice University's OwlSpark program and University of Houston's RED Labs program that includes intensive mentoring, curriculum and exposure to Houston's best resources.

Austin spoke on tax and corporate concerns for startups. His presentation discussed:

- Entity Selection
- Owner Payment
- Conversions
- Common Corporate and Tax Mistakes
- Maximizing Deductions
