
Online defamation and investigations: What the law can and cannot do for you

United Way Community Resource Center

August 12, 2011

On August 12, 2011, [Travis Crabtree](#) will be speaking on "Online defamation and investigations: What the law can and cannot do for you" at the United Way Community Resource Center.

Travis Crabtree focuses on internet law and commercial litigation. He will discuss the rules (or whether there are any) that apply to online defamation and the admissibility of evidence available online. You can read about this and other internet law issues at his blog www.emedialaw.com
