

Christopher Donaldson

Paralegal

Chris Donaldson brings 12 years of paralegal experience to Gray Reed in Dallas. He has extensive experience collaborating with attorneys in every facet of the commercial litigation process from start to finish concentrating on matters including but not limited to labor and employment, franchise, construction, hospitality, products liability law and environmental law.

Specifically, his work includes preparing attorneys for injunction hearings, depositions, mediations, arbitrations and trials; researching background facts in litigation cases; conducting background checks on parties and witnesses; creating and up keeping chronologies and witness lists; drafting discovery requests/responses; drafting deposition notices and subpoenas; drafting pleadings; and processing client documents from collection of native data to production via various databases.
