

Energy Litigation

Today more than ever, energy companies find themselves in need of trusted representation from counsel who understand the increasingly complex issues emerging in this challenging and rapidly evolving industry.

Our energy litigators have vast experience in a wide variety of energy disputes and in trying energy-related cases around the country in state and federal courts and before arbitration panels, regulatory agencies and administrative judges. We have a proven record of achieving favorable outcomes from small disputes up to significant national class actions and other large, multi-party disputes.
